

Echo

sie rief,
nichts
kam
zurück

Alone? Quite
so.
Bitter. Quite
alone.

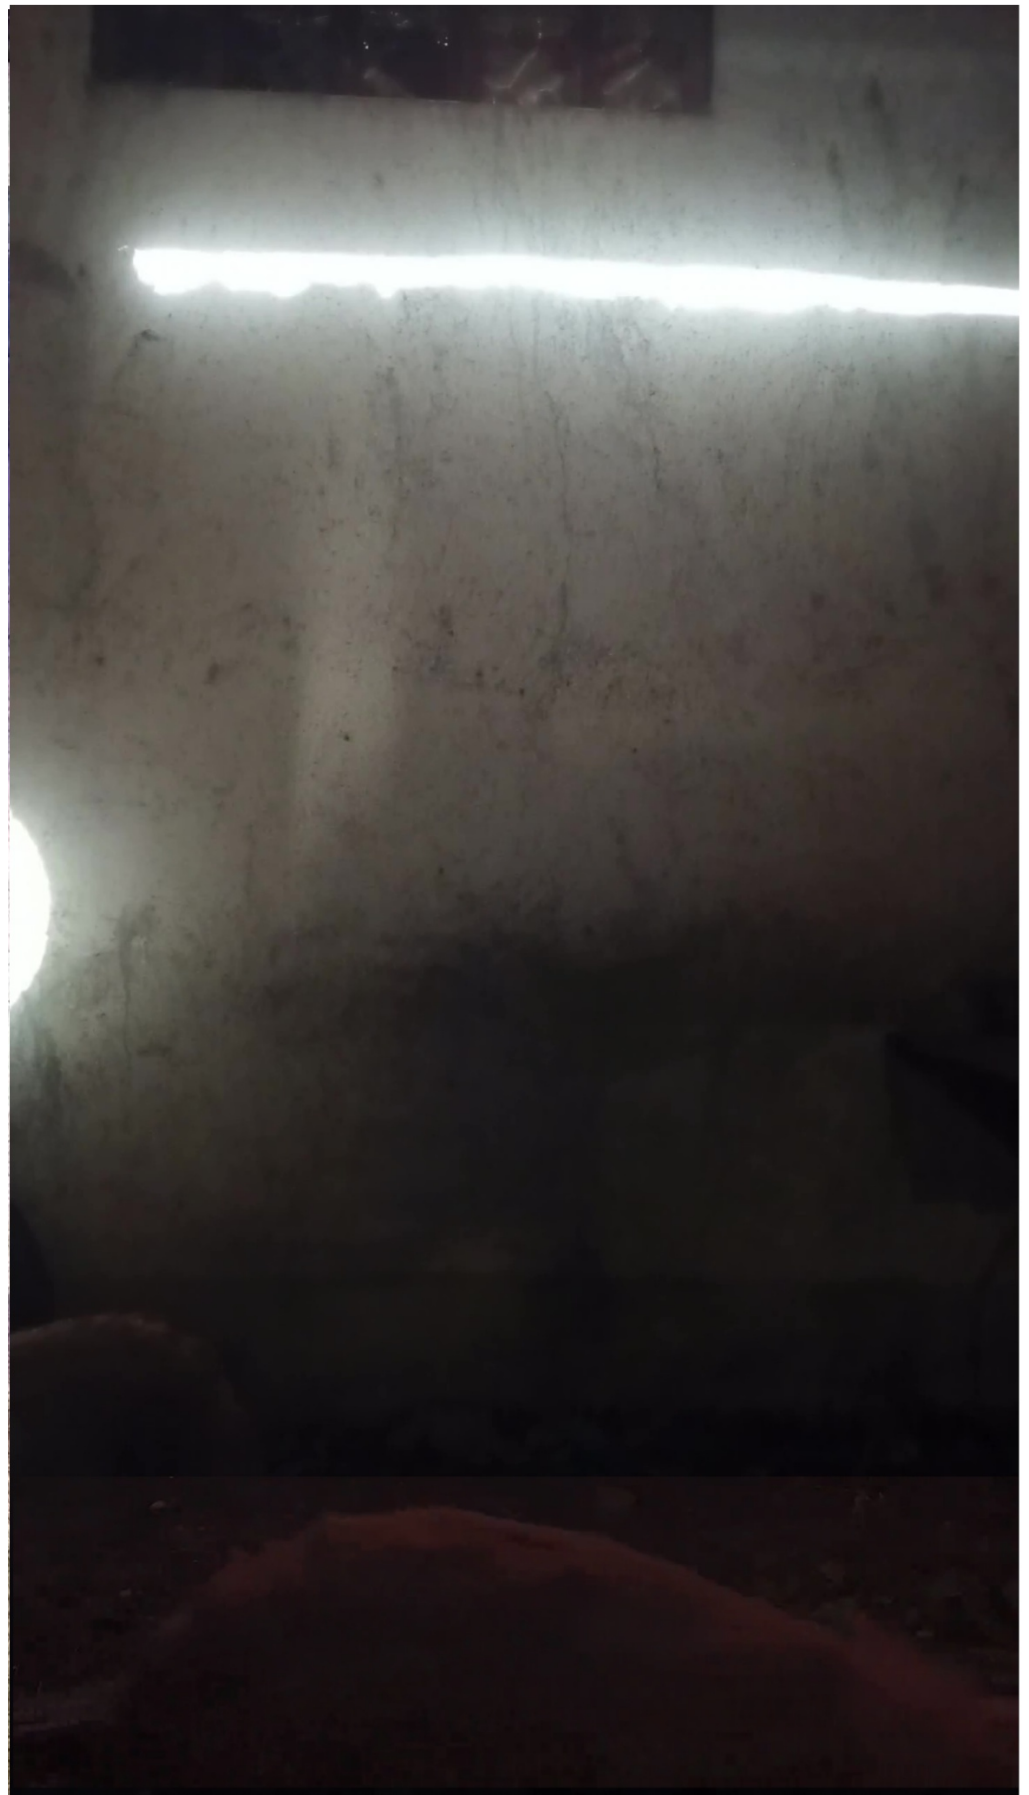

Then make the
echo test.

Call into the
mountains.

If nothing
answers,

perhaps the
mountain was
not the
problem.

Or simply
call once
more.

She called. Nothing answered.

A stone-made
echo.

The finest
technology
of its day.

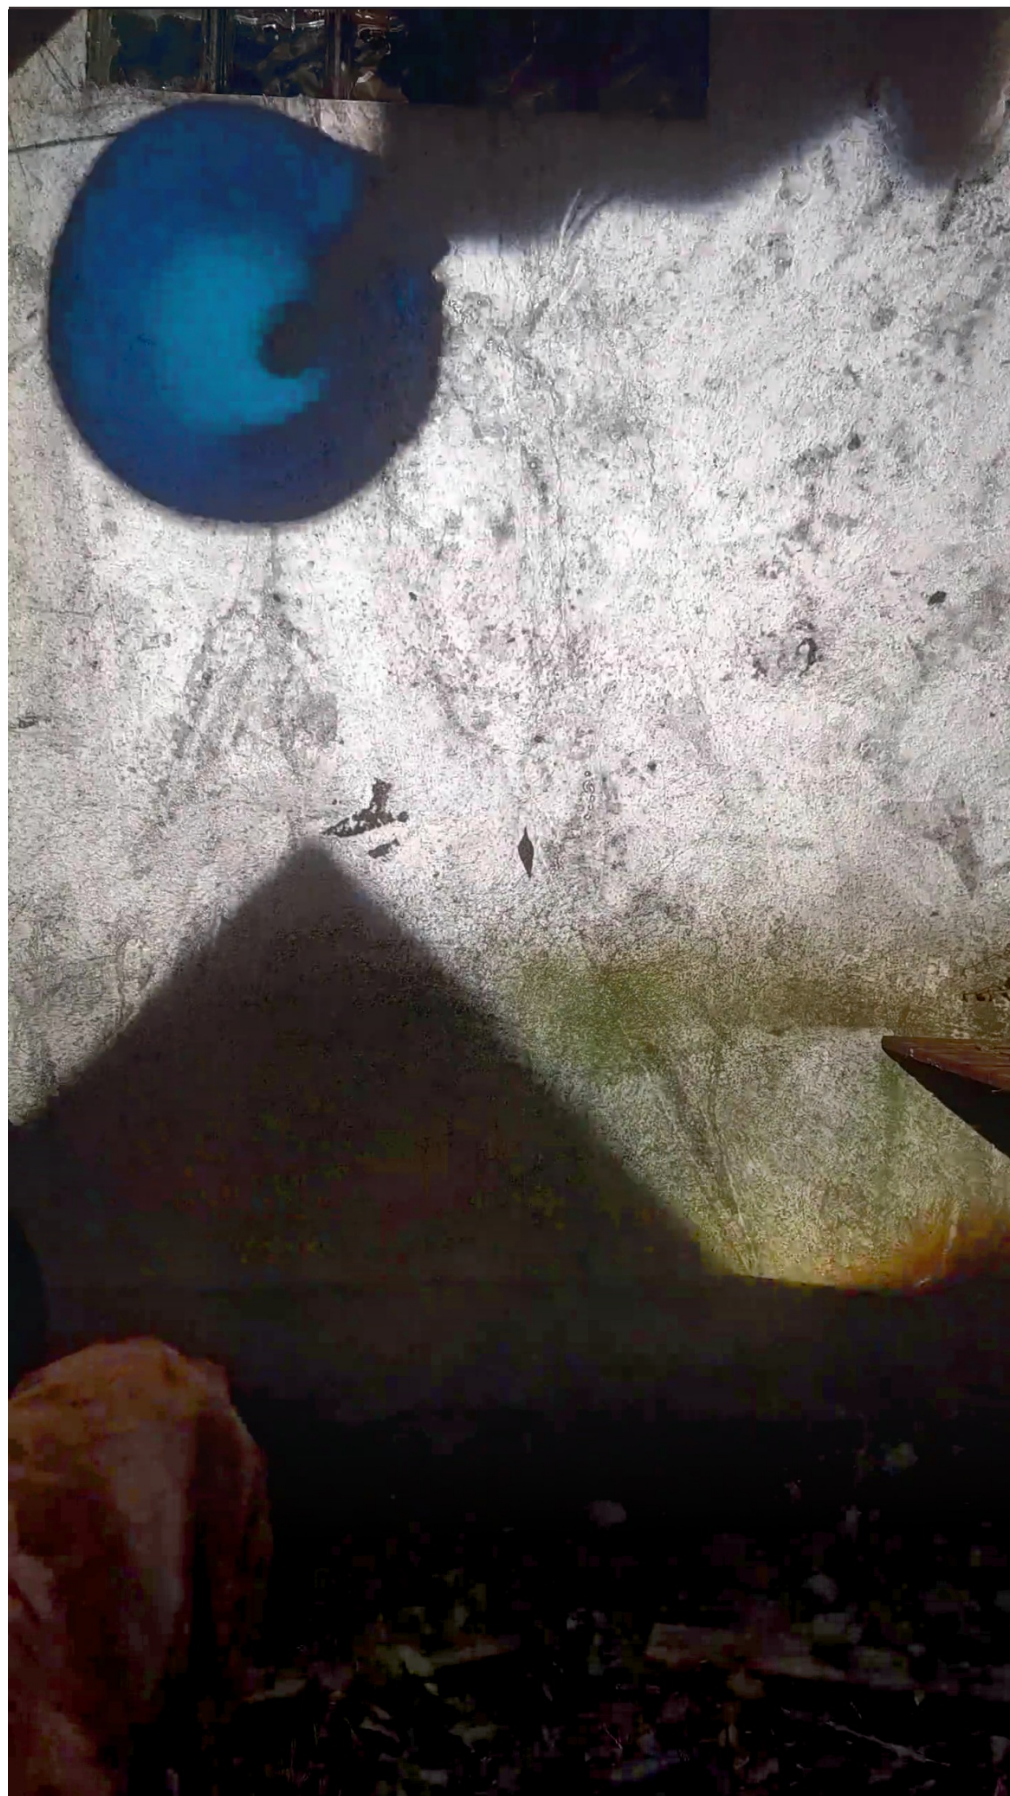

Pyramids
all over the
world,
when
no one spoke
Sumerian
any longer.

Surely they
all
understood.

We simply
cannot
hear
it.

Echo

She called. Nothing answered.

Echo

05.1

sie rief,
nichts
kam
zurück

johann franki

Perhaps there
is
something
still.

One walks on
and listens
with the eyes.

Blinks with
the ears.

Smells with
the soul.

⋮

Somewhere,
surely,
it must ring
once more.

She called. Nothing answered.

Down into
the valley.

Up into
the
mountain.

The
wanderer
must go on.

The echo
forgot

Just One Word

manch-
mal
sich nur
ein Wort
und alles
bleibt
offen

Spoke the
word
six times
then
Klanglücke
.
:
.
Sing it with
me.

Sometimes one word is missing, and everything remains open.

Just One Word

manch-
mal
sollt nur
ein Wort
und alles
bleibt
offen

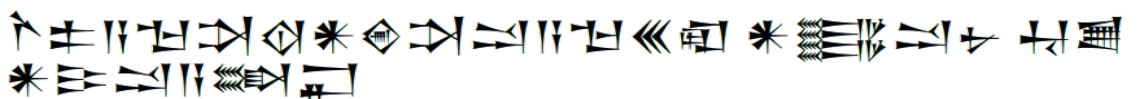

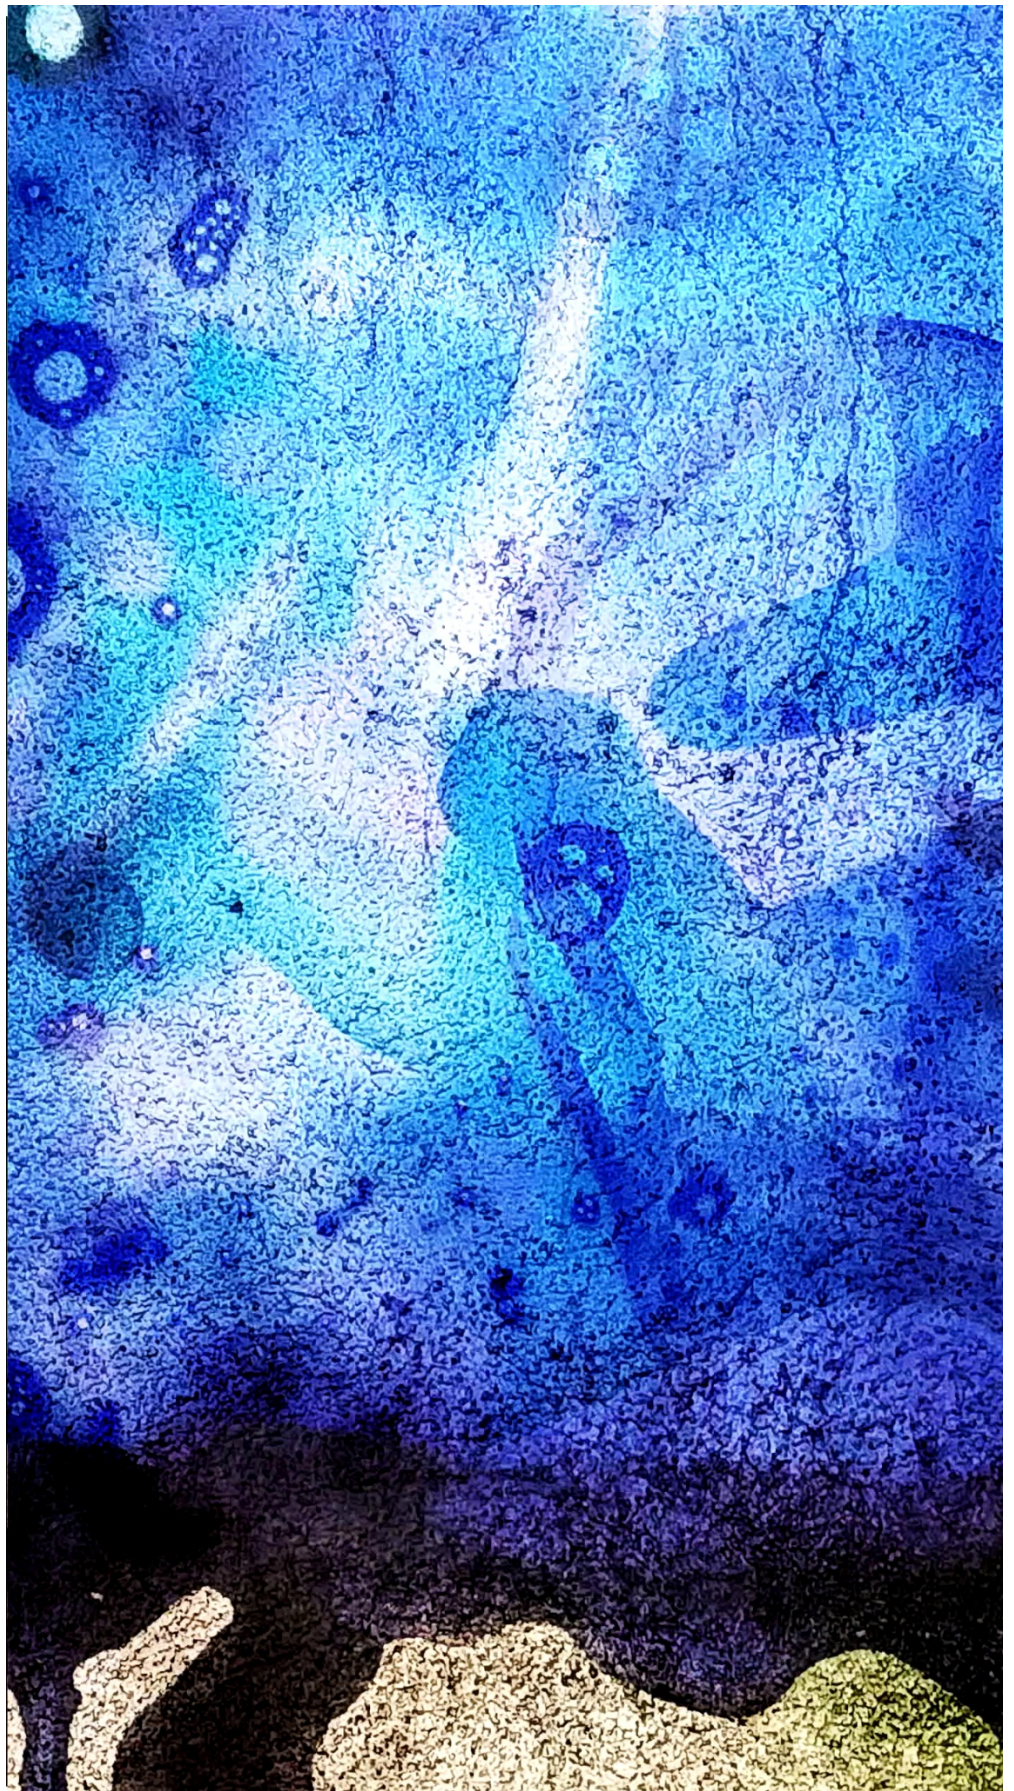

The air
clenched
its fist.

Passed by.

Left me
behind.

Not a word.

Sometimes one word is missing, and everything remains open.

Just One Word

manch-
mal
selbst nur
ein Wort
und alles
bleibt
offen

The
kingship
descended
from heaven

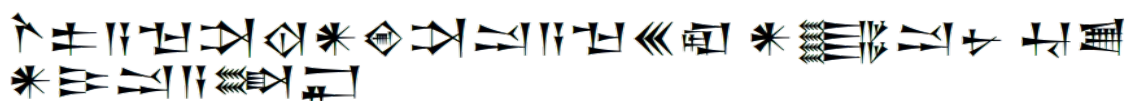

and went
away.

After them,
the Flood.

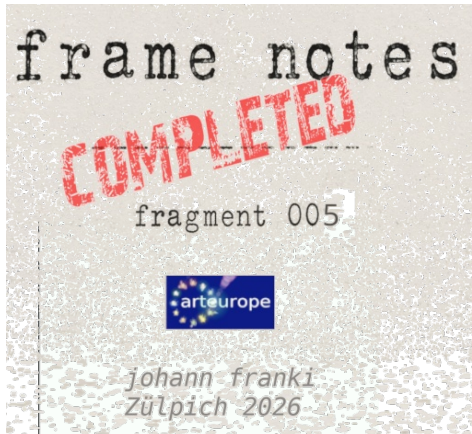

The
kingship
descended
once more.

and went
away again.

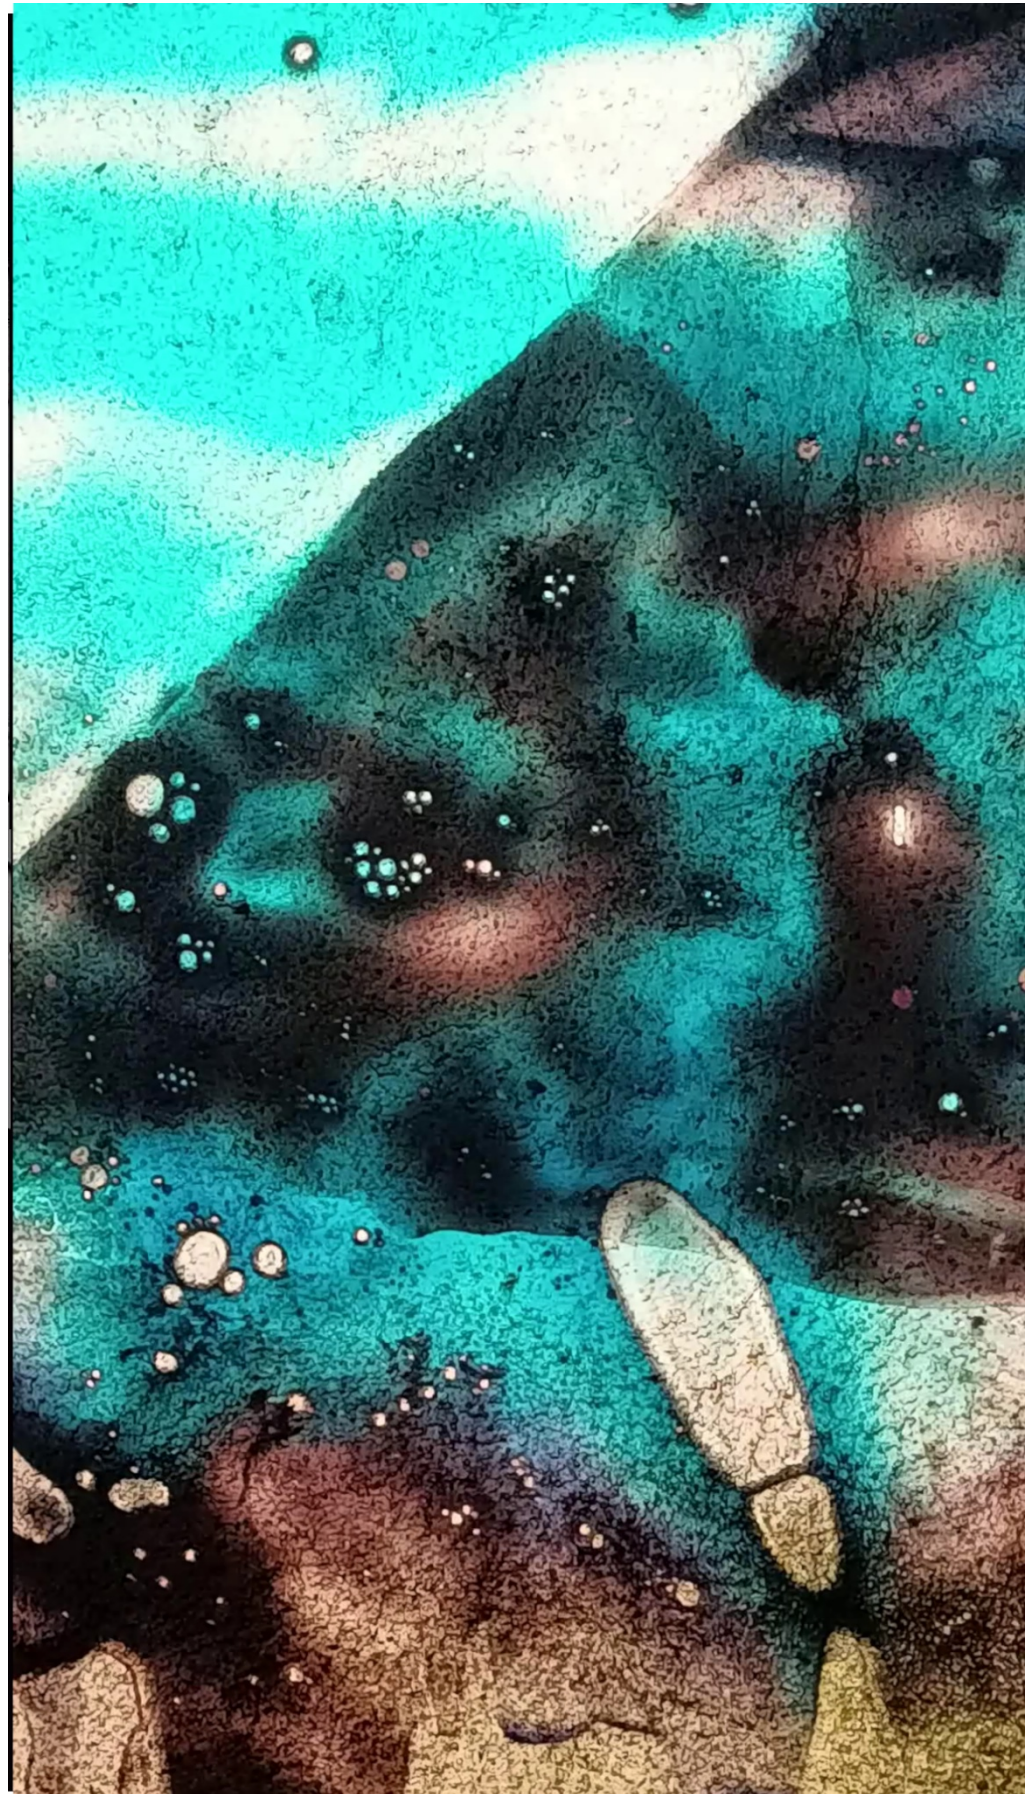

Enough.

Sometimes one word is missing, and everything remains open.

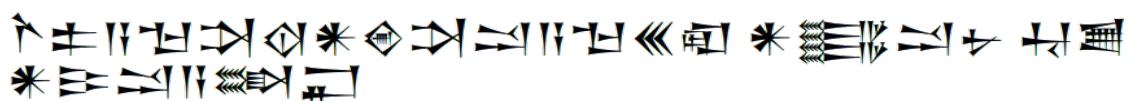

Just One Word

manch-
mal
sollt nur
ein Wort
und alles
bleibt
offen

And
then
there
was
fine
weather

Sometimes one word is missing, and everything remains open.
